Publishers**

Dear Comrades,

We at New Outlook Publishers are proud to send our warmest Revolutionary greetings to our dearest comrades of the League of Young Communists (LYC) USA on your 2<sup>nd</sup> Congress.

We are proud to be the partner publishing house of the only truly revolutionary Communist Youth League in the United States. May this Congress only strengthen our shared fight against US Imperialism. As Comrade Lenin said, *“You will not build a communist society unless you enlist the mass of young workers and peasants in the work of building communism.”* We cannot win our fight without your young comrades!

*WORKERS OF THE WORLD UNITE!*

*LONG LIVE MARXISM-LENINISM*

*LONG LIVE THE LEGACY OF THE USSR*

*LONG LIVE THE LEAGUE OF YOUNG COMMUNISTS USA*

In Solidarity,  
The Executive Committee of  
New Outlook Publishers
