Dear friends, comrades!

This is my pleasure, on behalf of the Central Committee of the Party of Communists of Kyrgyzstan and on my own behalf, to congratulate the Communist Party of the United States and, in your person, all the working people of America on the Second Congress of the League of Young Communists USA . Thank you for not giving up the struggle for the future of mankind, while being in the very center of world capitalism!

May peace, friendship, comradeship and genuine proletarian internationalism reign on our planet.

I would like to wish you health, good luck, success in work and all the best.

Yours faithfully to you

1st Secretary of the Bishkek City Committee of the Party of Communists of
Kyrgyzstan
