

PARTI TRAVAILLISTE

Distinguished Fighters,

It is a great honor to know that you are meeting today in the USA, the Land of the Free. My most intense joy goes to your commitment, this fight against imperialism in the belly of the beast.

Strength and honor, courage and respect to the Young Communists of the USA. The struggle and always the struggle, our credo forever in order to build a world of equality and solidarity between Peoples.

Full success to your work and do not fail to send us your information. Africa today sails towards surprise, astonishment and the unexpected. Let's stay united, the best is yet to come.

Our Fatherlands or death! 🇷🇵
