We, the Young Communist league (YCL) Nepal, so much pleased to hear that your great organization, the League of Young Communists USA (LYCUSA) is having its Second Congress on Saturday, August 27, 2022. And we got official invitation to greet your Second Congress. It is profound gratitude to give you well wishes. The Young Communist league (YCL) Nepal would like to give you immense congratulation and best wishes for your upcoming Second Congress. Our organization bolster your works in various struggles in popular movements, such as actions surrounding labor unions, peace, student organizing, oppressed nationalities, and all issues concerning American youth.

The Young Communist league (YCL) Nepal is currently working on revitalize the our one organization and boosting the issue of the implementation of constitution 2072 BS and also as being the leading youth organization, we always rise the issue in favor of youth participation in policy making layer. We have been able to make historical decision regarding youth by participating 20% young Nepali leaders in our maternal party's central committee member as well as state level committee formation. Since its establishment in 1982 AD this organization have been fighting against injustice, inhumanity, inequality and corruption issues.

We hope that our relations will more strengthen in the near future through this exchanging messages. And we will continue our relationship through various medium such as travelling to each other nations, learning each other counties values and beliefs and society's class struggles and so many other areas.
