

To the Second Congress Of The League Of Young Communist

The Young People's Socialist League and Socialist Party Of America sends the League Of Young Communist its greetings of friendship and labor. We the Young People's Socialist League and Socialist Party Of America wish to join you on your revolutionary path to the liberation of this American working class like many revolutionaries before us. Such as John Brown, and many more great working class heroes before us. We like you to pursue the same goals that you do. Such as an end to corporate greed, workers' liberation, and workers' democracy.
