Party of Communists USA Celebrates the 108th Anniversary of the October Revolution

November 7th 2025, marks the 108th anniversary of the Bolshevik Revolution, the world's most momentous event where oppressed peoples created the first state ruled by workers and peasants. Led by Vladimir Lenin and Joseph Stalin, and the Bolshevik Party, under the slogan, Peace, Land and Bread, overthrew the hated Tsarist oligarchy and freed the Russian people from the misery of WWI and imperialism.

“We have made the start. When, at what date and time, and the proletarians of which nation will complete this process is not important. The important thing is that the ice has been broken; the road is open, the way has been shown.” - Fourth Anniversary of the October Revolution by Lenin in 1921
